

Biology Test #2: Evolution Correction Form

Name: _____ Date: _____ Period: _____

Directions: If you received less than a 100% on an exam, you **must** complete a test correction form- even if you are happy with your score. You must write the entire question, the entire correct answer and *how you now know* that is the correct answer. If you receive a D or F (not passing) you must also get your parent/guardian to sign this form in order to receive credit.

**A box below should be completed for every question you missed. *I have extra copies of this sheet if you missed more than 7 questions, including short answer*
You must attach your original bubble sheet to the back of this form to get credit!**

My Original Score: Multiple Choice: _____/30 + Short Answer: _____/10
This is a (circle one): A B C D F

Parent Signature required if you received a D or F:

Part# ____ Question # _____	Copy the question here:
What I did wrong:	-Misread the question -Didn't have the notes in my Notebook -Didn't understand the question -other: _____
I found the answer on Page # ____ or from _____, The correct answer is (write out the answer, not just the letter) _____. Explain why this is the correct answer:
